

Agenda for General 9/29

1. Bifenthrin – see updated 1 pager on OGC discussion and FMC information regarding commercialization of product

2. Honeywell Filters – **Ex. 5 Deliberative Process (DP)** Expect to prepare a briefing for Ed. Have draft BEAD review, efficacy and bead reviews going through management review, expect to have this week.

- **Ex. 5 Deliberative Process (DP)**

- **Ex. 5 Deliberative Process (DP)**

- **Ex. 5 Deliberative Process (DP)**

• **Ex. 5 Deliberative Process (DP)**

2. For follow up with AAPCO requesting what if any additional guidance they need beyond the current web guidance for 24(c) **Ex. 5 Deliberative Process (DP)**

Ex. 5 Deliberative Process (DP)

3. Grignard VA update – Grignard is adding unregistered products to their site, AD reviewing efficacy in consideration of new application method shown on website, also had meeting with CDC Grignard was sort of asking for CDC to recommend Grignard

4. Potential for hiring a NOWCC. Would anticipate being able to use them on the 24(c) side of things.

5. Propamocarb FR sent to IO 9/2, reminder sent 9/15, PRIA date 11/16.

6. Retreat on Oct 21, I will be on leave, Can Nancy or Tawanda join this discussion for muerb?
